A few tips:

✓ It is essential to leave a photocopy of your passport at home

Plug adapter for Israel (for appliances that convert voltage automatically. Click here for an example.)
 Plug converter for Israel (for devices that don't

a converter, but best to ask in your local

☐ Electrolyte/Gatorade powder (helps to stay

electronics store)

hydrated in the heat!)

convert automatically. Click here for an example of

- ✓ If you can't lift it yourself, then you've got too much stuff in your bag. Remember, it will only get heavier once you buy gifts and souvenirs! Try to use luggage with wheels.
- ✓ We highly recommend bringing a luggage lock to keep your valuables safe.
