2. What is Birthright Israel and Mayanot?

The Jewish people, through the State of Israel, Jewish communities and private philanthropists, have created the Birthright Israel Project, the main goals of which are to strengthen Jewish peoplehood, Jewish identity, strengthen Jewish communities worldwide, and improve Israel-Diaspora relations, inter alia by providing Jewish youth outside Israel with a living-and-learning experience in Israel.

Mayanot is a non-profit educational organization in Israel that connects Jewish young adults from around the world to their heritage. Birthright Israel works with Mayanot to provide free peer-group educational trips to Israel for Jewish youth. Mayanot is one of Birthright Israel's biggest providers.

Mayanot's educational projects include:

- Jewish Studies College in Jerusalem.
- Jewish programming and charity work.
- Educational excursions throughout Israel.

3. General Release

Each season thousands of applicants apply for Birthright Israel: Mayanot programs, and due to limited places available there is always a lengthy waitlist. Mayanot endeavors to offer every applicant the Birthright Israel gift, but given the ratio of applicants to available places not every applicant can be catered to every season. With every intention to be "fair", Mayanot reserves the right to choose which participants are offered trips and when. The process is not open to public scrutiny, and Mayanot is in no way obligated to explain methods, decisions or criteria to applicants or their families. Any rudeness, attempt to bribe, threaten or intimidate Mayanot staff will be treated with utmost severity and said applicant may be barred from applying to Mayanot without warning or notification.

The Program covers the period of time beginning with the flight to Israel and concluding with the arrival at Ben Gurion International Airport (hereinafter: "BGIA") for the return flight to the United States. In the event that I choose to extend my trip in Israel following the conclusion of the Birthright Israel: Mayanot Program, I understand that Mayanot shall be relieved of all and any responsibility for me. I also understand that I may not leave the group early, even if I extend my trip and that I will be responsible for making my own arrangements, including obtaining additional insurance coverage as necessary, starting immediately from the point of the Program's conclusion at BGIA. Prior to arrival at BGIA on the final day of the program, participants are not allowed to leave the Program.

Birthright Israel and Mayanot shall in no way be held responsible for any issues arising in regard to my passport or ability to travel. Any questions or uncertainties should be directed to the Transport Security Administration (TSA) and other authorized authorities.
